KICK OFF - What's Buzzing? Hot topics in HOA

Join us for the CAI-Oregon Chapter annual KickOff event. A panel of legal experts will discuss and answer questions on hot topics affecting homeowners associations, new legislation, current trends, and more.

This is your opportunity to ask burning questions and preview some of the year's topics that will be discussed in detail at the monthly luncheons. The panel includes Rich Vial, David Bennett, and Tony Rafel--leading experts in condo and planned community law.

To better prepare, we ask that you submit your questions in advance via email to Kevin Harker at kvh@vf-law.com or contact Kevin at the event and give him your questions.
