Subject: RE: Heritage Settlement

I am usually not at a loss for words, but right now I am finding it hard to express my gratitude for the exceptional level of integrity and quality of work Tony and his staff have demonstrated on our behalf through this litigation.

Keith and I were on the phone when this came through. We signed off quickly. I sat down and read it through and the realization that in just that instant it is over was emotionally overwhelming.

Tomorrow is Last Friday of the Month. A celebration is planned for Harris' 96th birthday. Wouldn't it be wonderful for Keith to be able to stand up and announce this incredible news.

Best regards to all,

Cathryn
